

KIOSK

D & K made these ice cream cones but they need some colour!

This colouring page is part of a sharing art project called a **collaboration**. Loads of artists work this way!

Have a go at colouring this in and then send back a photo of your brilliant artwork

Maybe you could make your own ice cream cones or what about ice lollies? What flavour would you make?

Don't forget! If you have any cool ideas for yummy treats to get from the KIOSK let us know! We'd love to see pictures of things you have made

Send your photo to Mamhouss1@gmail.com or you post it on Instagram with the hashtag #mamhouss1 #kiosk #remotetradingpost
